**Commissioner of Insurance Mike Chaney issues statement
on the passing of Congressman Alan Nunnelee**

“The passing of Alan Nunnelee is a great, great loss for his family, his community, our state and our nation. It is also a great loss to me personally. I have known Alan and his family for many years and I was lucky to count him among my dearest friends. I was fortunate to serve in the state Senate with him and was able to see firsthand his knowledge, faith, sense of fairness and his concern for the people of our state.

I am going to miss him greatly as will the people of Mississippi.”
